

# Korea NanoString Day 2022

## Map the Universe of Biology

15 Jun, 2022 9.30am - 4pm  
JW Marriot Hotel Seoul, SALON 4 & 5 (3F)

(주)필코리아테크놀로지는

**NanoString Korean User Group Meeting 2022**에 연구자 분들을 초대합니다.

NanoString Technologies사는 Bulk genomics 연구부터, 조직 슬라이드에서 spatial transcriptomics / spatial proteomics를 함께 연구하거나, cellular & subcellular resolution으로 더 깊게 Spatial multiomics를 연구하는 솔루션을 제공하고 있습니다.

## AGENDA

- 09:30 - 10:00 **Registration, Coffee and Snacks**
- 10:00 - 10:10 **Opening**  
Min Bong Park | CEO | PhileKorea Technology  
Jay Manikandan, Ph.D. | Assoc. Dir. Greater Asia Pacific Sales | NanoString
- 10:10 - 10:35 **nCounter® Introduction**  
Sook Lee | Distribution Sales Manager | NanoString
- 10:35 - 11:00 **Research of brain tumor and cerebrovascular disease using NanoString Technologies**  
Seung Ah Choi, Ph.D. | Research Professor | Seoul National University Hospital
- 11:00 - 11:25 **Digital Spatial Profiler (DSP) study using tissue microarray**  
Jeong Mo Bae, M.D., Ph.D. | Clinical Associate Professor | Seoul National University College of Medicine
- 11:25 - 12:00 **Mapping the universe of biology with the GeoMx® Digital Spatial Profiler (DSP)**  
Marshall Feterl, Ph.D. | Senior Technical Specialist | NanoString
- 12:00 - 13:00 **Lunch/DSP networking**
- 13:30 - 13:55 **CosMx® SMI - Spatial Single Cell High-Plex Imaging**  
Michael Rhodes, Ph.D. | Senior Director | nanoString
- 13:55 - 14:20 **NanoString nCounter® system mRNA expression profiling and analysis in glioblastoma**  
So Jin Kim, Ph.D. | Assistant Professor | Daegu Health College
- 14:20 - 14:45 **Exemplary use of nCounter® panels versus RNAseq analysis**  
Kyung Hwa Lee, M.D., Ph.D. | Associate Professor | Chonnam National University Hwasun Hospital
- 14:45 - 15:10 **GeoMx®, the only commercialized targeted platform**  
Hyun Je Kim, M.D., Ph.D. | Associate Professor | Seoul National University College of Medicine
- 15:10 - 15:35 **Experience of GeoMx® human whole transcriptome analysis in small tissue sample**  
Chung Yeul Kim, M.D., Ph.D. | Professor | Korea University Guro Hospital
- 15:35 - 16:00 **Closing and Summarize**  
Nam Hwa Lee | Vice President of Business | PhileKorea Technology
