

Style Guide

How to Cite NanoString® Grant Packages in Your Grant Application

PMR-11264-02

Proper citation of reference materials is a pillar of scientific integrity and essential to a successful grant application. NanoString recommends following the citation guide provided by the funding institution in their grant application instructions. Citations following APA Style are listed below as examples.

- NanoString Technologies, Inc. (2022). CosMx™ Spatial Molecular Imager Grant Support Document [Brochure]. https://nanosttring.com/wp-content/uploads/FL_MK3934_SMI-Grant-Package-V4-1.pdf
- NanoString Technologies, Inc. (2020). GeoMx® Digital Spatial Profiler Grant Application Package [Brochure]. https://nanosttring.com/wp-content/uploads/FL_MK0481_DSP_GrantPackage_May2020.pdf
- NanoString Technologies, Inc. (2022). nCounter® Analysis System Grant Application Package [Brochure]. https://nanosttring.com/wp-content/uploads/FL_MK2295_nCounter_Grant_Support_R5.pdf
